

**GEORGIA TERT
SUPERVISOR QUESTIONNAIRE**

Dear Supervisor,

A member of your staff has applied to participate in the Georgia TERT program. This program is designated to provide well-qualified, trained and disciplined dispatchers for deployment to assist other 911 Centers and/or Public Safety Answering Points when the need arises. This may occur during a natural or man-made disaster or terrorist activity.

As indicated, we are looking for the best throughout the State to fill this critical role. In doing so, we are looking for your comments concerning this applicant work habits, performance, ability to work under stress, etc. Below you will find the input we are requesting from you to ensure this applicant will fit the needs and bring the skills and abilities to Georgia TERT that are required.

Work Habits:

Work Performance:

Customer Service Skills:

Demonstrated Ability To:

Remain Calm in Stressful Situations – Yes / No

Example (provide information demonstrated without providing specifics):

Effectively Manage High Profile or Critical Incident – Yes / No

Example (provide information demonstrated without providing specifics):
